CROPS GROWN IN LANDS LEASED FOR CASHEW CULTIVATION.

Q.—73. Sri V. SRINIVASA SHETTY (Coondapur).—

Will the Government be pleased to state :—

(*a*) what are the other crops allowed to be grown in lands leased or assigned for cashew cultivation ;

(*b*) whether short term food crops are allowed to be grown in such areas ?

A.—Sri KADIDAL MANJAPPA (Minister for Revenue).—

(*a*) Sea Island cotton is allowed to be grown in lands granted under the South Kanara District Lease of Lands for Cashewnut Cultivation Rules, 1957.

(*b*) One-fifth of the area granted is to be planted with cashew every year and the entire area brought under cashew cultivation within a period of five years. There is thus no objection if short term food crops are raised in the remaining extent upto the the fourth year of grant. Another condition of the grant is that every acre of land granted shall contain not less than forty well maintained cashewnut trees and if this condition is fulfilled there is no objection to permit raising short term food crops in whatever extent that remains.
